SKINHEALTH PROGRAMME

Nimue Professional Treatments enhance the efficacy of your homecare products and accelerate the skin rejuvenation process, which delivers dramatic results.

Support

Nimue Deep Cleanse Treatment R580

A treatment designed to deep cleanse a problematic skin with pustules, oiliness and congestion. It effectively purifies and clarifies helping to refine the skin texture.

Nimue Therapeutic Treatment R500

A customizable treatment that supports all skin conditions in particular, uneven skin tone, sun damage, oily and congested skin as well as sensitised skin conditions. This treatment, which includes an exfoliation, massage and mask, results in a revived, refreshed, smoother and softer skin.

Nimue Active Rejuvenation Treatment R700

A specialised, active, skin rejuvenation treatment that targets sun damage, wrinkles, uneven skin tone and enlarged pores resulting in increased elasticity, renewed radiance and overall skin smoothness.

Further Professional Treatment Customisation

Include the following in any of your chosen Nimue professional treatments:

Nimue-TDS™ R105

These professional transdermal solutions are available in 4 skin classification prescriptions, each with different actives designed to improve skin health and address certain skin concerns.

Nimue Super Fluids R90

Enhance the overall treatments efficacy by completely customising your professional treatment, based on specific needs and concerns, with one or more of the Nimue Super Fluids.

These concentrated ingredient-based fluids include:

Cyanoacrylate Super Fluid for sensitised and inflamed skin.

Hyaluronic Acid Super Fluid for dehydrated skin.

Prebiotic Super Fluid for problematic and acne prone skin.

Retinol Super Fluid for skin showing fine lines, wrinkles and age spots.

Vitamin C Super Fluid for hyperpigmentation and a dull complexion.

Advanced Rejuvenation

Nimue Thermal Detox Peel R600

A detoxifying, warming flash treatment peel that deep cleanses, exfoliates and oxygenates the skin. It results in the removal of impurities and excess oil, softening of fine lines and wrinkles and increases hydration.

Nimue 35% Glycolic Treatment R820

A specialised, deep exfoliating treatment that safely removes dead skin cells for improved texture and appearance in dry, dehydrated and ageing skin.

Nimue 7.5% TCA Treatment R890

A light, superficial peeling treatment for deeper exfoliation on problematic and congested skin conditions as well as sun damage resulting in smoother, softer and refined skin.

Specialised Rejuvenation

Nimue Smart Resurfacer Treatment R990

An intense, smart technology skin resurfacing treatment designed to smooth skin texture, reduce fine lines and wrinkles and uneven skin tone. This cutting-edge peel delivers immediate results with minimal discomfort for a tight and radiant skin.

Nimue Microneedling Treatment with Nimue-TDS™ and Super Fluids P.O.R

A visible skin rejuvenation treatment with a specialised micro needle device for collagen stimulation.

Nimue-SRC™ Treatment R910

Environmentally Damaged

Powerful skin resurfacing treatment that is fast acting on sun damaged skin with signs of ageing. Skin is left smoother, firmer, radiant and with a more youthful appearance.

Hyperpigmented

Powerful skin resurfacing treatment for uneven skin tone and hyper pigmentation. The skin is left looking brighter, radiant, glowing and smoother.

Hyperpigmented

Specialised skin resurfacing treatment for problematic skin conditions. It is ideal for acne, breakouts, enlarged pores and oiliness, leaving the skin texture refined, smoother and decongested.
